

## **Questions & Answers on Solicitation for Director's College**

- 1. Could existing programs like CUNA's Volunteer Achievement Program and Volunteer Leadership Program materials be used instead for the modules?**

We believe that these materials are an excellent start and meet many of our training needs. However, DCU does have a viewpoint and opinion that we want expressed in the modules and the CUNA materials alone do not necessarily fit our needs.

- 2. How will this contract be funded?**

We are hoping that charges to participants will cover the cost of the contract.
